Experiment No. 3: Verification of Ohm's Law

Name: Aditya Kulkarni

PRN: 22010173

Date: 03/10/2026

Aim: To verify Ohms law using a fixed resistor.

Sr. No.	Voltage (V)	Current (A)
1	2.0	0.20
2	4.2	0.41
3	6.1	0.60

Result: Ohm's law is verified for Experiment No. 3.

Conclusion: Current varies linearly with voltage.
